

Children and Screen Time

Children
& Technology Addiction

Creating balance between children & technology is becoming more and more challenging for parents. Join our presentation and learn about:

- Analyse the benefits and negative effects of technology on a child's development
- Establish limits and rules for using mobile devices
- Rethink the relationship between gadgets and today's tech savvy children
- Encourage more together time than screen time within the family

September 20th, 2017 (Wednesday) 6:00-7:30pm
↳ Bridlewood Branch, Toronto Public Library
2900 Warden Ave, Scarborough, ON M1W 2S8
